...Shaping the Future!

NAVAL AIR STATION GLENVIEW PLAYED A PIVOTAL ROLE IN WORLD HISTORY

BE A PART OF OUR GROWTH- BUILDING A LARGER MUSEUM & LEARNING CENTER

*With your support and participation
our vision can take flight!*

- Located on Lake Michigan, NASG was the world's only location for "freshwater" aircraft carrier operations.
- During WWII, NASG trained more than 30,000 Navy personnel, including 24,000 pilots.
- Aviation legends and leaders trained at NASG include:
 - George H.W. Bush
 - Neil Armstrong
 - Robert Taylor
 - Charles Lindbergh
- NASG hosted all five branches of service from WWII through the Gulf War.

Our goal is to build a facility that can fulfill our mission. The new museum will include:

- A *Challenger Learning Center* serving middle school children.
- Full size aircraft and artifact displays.
- Traveling exhibits from around the world.
- A *Research Center*, preserving historical archives and housing an aviation library.
- Individual service branch and squadron specific display.

**Please be a part of our future by supporting
the educational mission of
