U.S. NAVAL AIR STATION

GLENVIEW, ILLINOIS

The Glenview Hangar One Foundation needs your support to -

Preserve the past...

Educate the present...

Build for the future.

May we never forget their sacrifice for our freedom.

PLEASE HELP PRESERVE THE NAVAL AIR STATION GLENVIEW LEGACY

As we celebrate the 75th Anniversary of the commissioning of Naval Air Station Glenview, the Glenview Hangar One Foundation is in need of your financial support to continue operation of the N.A.S Glenview Museum. We are committed to preserving the unique history of the air station and those who served there to educate future generations. Our ongoing efforts continue to expand the museum holdings, experience and educational opportunities to include:

- **Featured** events and guest lecturers
- **Applied** learning experiences for students
- **Development** of “Operation Eagle”. Recovery, restoration and public display of a Navy aircraft from Lake Michigan in the museum
- **Acquisition** of resources for relocation and a larger museum

2012 has been an exciting year. A&T Recovery has identified the aircraft at the bottom of Lake Michigan to be recovered and we are working on meeting the requirements for approval to receive the aircraft.

Thanks to “Bring-It-Home-Glenview”, Request for Proposal #212024 for Parcel 24 at the Glen was submitted that, if approved, would provide the property necessary to build a permanent museum on the Glen. Please sign their online petition to voice your support at www.bringithomeglenview.org.

Please Contribute Generously, your cash contribution is HONORABLE and TAX DEDUCTIBLE.
